1. APPLICABILITY

A. These restrictions shall apply to the above described lots only and are specifically excluded from application to other lands included in the plat.

## 5. THE BACA GRANDE ANGEL FIRE PROPERTY OWNERS ASSOCIATION

A. Every person acquiring legal or equitable title to any lot in the Subdivision covered by these Restrictions will automatically become a member of the Baca Grande Angel Fire Property Owners Association, to be formed by Declarant, herein referred to as "Association", and with such ownership then every such person becomes subject to the requirements and limitations imposed in these Restrictions and to the regulations and assessments of the Association, with the exception, however, of such person or persons who hold an interest in any such lot merely as security for the performance of an obligation to pay money, e.g., mortgages, deeds of trust, or real estate contract purchases. However if such a person should realize upon his security and become the real owner of a lot within the Subdivision, he will then be subject to all the requirements and limitations imposed in these Restrictions on owners of lots within the Development and on members of the Association, including those provisions with respect to alienation and the payment of an annual charge.

B. The general purpose of the Association is to further and promote the community welfare of the property owners in the Subdivision.

C. The Association shall be responsible for the maintenance, upkeep and repair, and the establishment and enforcement of rules and regulations concerning the operation and use, of all greenbelt and park areas and other areas collectively referred to herein as "common areas".

In the event that the Association at any time fails to properly maintain such common areas, Declarant, in its sole discretion, may enter upon and make any and all repairs, or maintain any of the properties under the responsibility of the Association and may charge the Association for all such repairs.

D. The Association shall have all the powers that are to be set out in its Articles of Incorporation and By-Laws and all other powers that belong to it by operation of law, including (but not limited to) the power to assess and collect from every member of the Association a uniform monthly charge per single-family residential lot within the Subdivision. The amount of such charge is to be determined by the Board of Directors of the Association for the purposes for which the Association is formed, payable, annually, and provided further that no such charge shall ever be made against, or be payable by, Declarant, the Association itself, or any entity that may be created to acquire title to, and operate, the water, sewer, power, telephone, gas or similar utility serving the Subdivision.

There will be no assessment by the Association until such time as the Association has obtained ownership of all or part of the common areas.

All monthly charges are payable annually by the member to the Association on or before the first day of May of each year, for the ensuing year. The Board of Directors of the Association shall fix the amount of the annual charge per lot.

Every person who shall become the legal or equitable owner of any lot in the Subdivision by any means, is, by the act of acquiring such title, or by the act of contracting to acquire such title, held to have agreed to pay the Association all charges that the Association shall make in accordance with these Restrictions. If such payment is not made when due, it shall bear interest from the due date at the rate of eight (8) percent per annum. Until paid, such charges together with costs and reasonable attorney's fees required to secure payment thereof, shall constitute a perpetual lien on and against the property charged. The Association may publish the name of a delinquent member and may file notice that it is the owner of a lien to secure payment of the unpaid charge plus costs and reasonable attorney's fees and may foreclose the lien in accordance with the laws of the state of New Mexico.

The Association shall, upon demand by Declarant, at any time, furnish a list of members who have paid such assessment or of such members who are then delinquent in the payment of such assessments.

E. The fund accumulated as a result of the charges levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the members of the Association and in particular, the maintenance of the common areas.

F. Declarant proposes to develop additional property adjacent to this Subdivision and reserves the right to expand this Association so as to include the future owners of any or all additional properties so developed. Declarant, by reference to these premises, can include these future owners for full participation in all benefits and responsibilities.

6. OWNERSHIP, USE AND ENJOYMENT OF PARKS AND RECREATIONAL AMENITIES
