WATER

Provider	Silver Creek Water Company
Distance and details	Water main runs on the opposite side, so we would need to bore under the road and a permit for that is \$300.00. So you would pay the \$2111 for each meter plus a permit. The foreman said if you wanted 2 meters and could set them on the property line, he would only need 1 permit, but if you wanted the meters in two different spots, there would be a permit needed for each
